

MUSIC PROGRESSIONS 2019
TEACHER WORK FORM for LAWRENCE CENTER
Central United Methodist Church (1501 Massachusetts)

Each teacher entering students in 2019 Music Progressions is required to help with the event – NO EXCEPTIONS. Teachers with fewer students enrolled will be asked to help for one 3-hour block of time, whereas teachers who have a larger number of students enrolled may be asked to help for two 3-hour blocks of time. **It is not an easy task to organize this event, so please cooperate by marking with your initials ALL the times you are available to help.** (That does not mean you will be asked to help all those times, but it is necessary for the coordinator to have options so all areas can be staffed appropriately throughout the entire event.) You will be notified of your work appointment when you receive your student schedule.
