

June 12, 2020

Dear Fellow Arts Patron,

An audience of nearly 400 arts-minded families is waiting to hear from you!

On January 10, 2021, the Kansas City Music Teachers Association will present an exciting musical experience to our community – the 25th Multi-Piano Concerts, “Reflections of America”. These two concerts feature duet teams performing as a piano orchestra on a stage filled with grand pianos under the direction of professional conductor Chad Reed. Representing the entire metropolitan area, students play alongside siblings, friends, teachers, parents, and even grandparents.

For KCMTA, a non-profit 501 c-3 corporation, this is the most “public” of our organization’s offerings. Large-scale offerings such as the Multi-Piano Concerts demand large-scale funding. An event of this size would be impossible without the financial support of our community.

Our performers are required to be backstage half an hour before the concert begins. That means most families will be in their seats for 30 minutes before the concert. This gives you the opportunity to reach a truly “captive” audience!

KCMTA would like to offer you an opportunity to advertise your business to our performers and families in one of three ways:

- In our Multi-Piano Concert program
- On projector space for viewing before and after both concerts
- In both the program and on projector space (for a 25% discount)

Program space rates:

- Full page (5.5” X 8.5”) _____ \$100.00
- Half page _____ \$ 80.00
- Quarter page _____ \$ 50.00

Projector space rate:

- 3 slides before and after both concerts for a total of 12 viewings: \$100.00

Thank you for your consideration and support of these unique concerts!

Sincerely,

Heather Lewis
