

KCMTA

KANSAS CITY MUSIC TEACHERS ASSOCIATION

MESSAGE FROM THE PRESIDENT

Dear KCMTA Members,

The Fall whirlwind of music events is almost over, and I hope you're all still going strong! With our State Auditions coming quickly, I feel as though I can finally see the finish line. However, we have great events coming up soon: our Holiday Program at Union Station, the Multi Piano Event, and the Concerto Competitions will be here before we know it! Please check out these events on our website and plan to be a part of them.

I'd like to extend a huge Thank You to Janet Fetterman for organizing our November Weekend with Wynn-Anne Rossi. This joint event with Federated Music Clubs is a large undertaking, and it promises to be very rewarding for teachers and students alike. I hope to see you there!

Dr. Kari Johnson
